Welcome to Heartland!

Heartland Care Center is a community-owned, non-profit nursing home facility that offers a large range of nursing care, including long-term care, hospice care, skilled (rehabilitation) nursing care, and assisted living.

Heartland Care Center personalizes each individual care plan to meet the need of your loved one. With special diets, nursing management, and a full spectrum of activities, Heartland Care Center can cater to meet your needs! We are a non-profit facility that has a Board of Directors that meet monthly to oversee the management of the facility.

OUR PHILOSOPHY is to provide the best home-like care and services to our residents that reflects a clean, safe environment to retain their highest practicable level of functional ability, and supports each individual's needs and preferences!
